

LIFE'S BETTER WITH WINDEX®

A poem by JP * inspired by My Big Fat Greek Wedding 2

Fingerprints on doors,
And other messy chores,
Put some Windex.
When the dust gathers on,
Your computer and phone,
Put some Windex.
Your cooking is tasty,
In a kitchen that's shiny,
Put some Windex.
The grass looks much greener,
When the windows are clear,
Put some Windex!
Everything is cleaner,
The house looks dreamier,
Put some Windex.
A big messy craft space,
Becomes mom's favorite place,
Put some Windex!
Life is much better,
The family is happier,
Put some Windex.
